Accent

Excellence is expected.

The all-new Accent

Good looks are just the start of the story.

With its smart, modern lines, the all-new Accent says a lot about you and your individual sense of style. You are very practical and so is Accent because it gives you generous amounts of interior space. It also comes with a choice of engines and six-speed transmissions that are renowned for their power, reliability and fuel efficiency. And when it comes to the all-important issues of safety, Accent is equipped with a wide range of advanced features that deliver comprehensive protection. Inside and out, Accent is a reflection of Hyundai's passion for engineering excellence.

Design.

The ordinary transformed into the extraordinary: That's the beauty of Accent as it takes the family car to an entirely new level. It employs the very latest LED and projection technologies on the front lighting package to maximize visibility and make a high-tech statement. Chrome detailing on the front grille and around the fog lamps add a noble touch.

Projection headlamps & projection fog lamps
Outside mirrors with repeaters

LED Rear combination lamps
16" alloy wheels

Interior.

On the road, Accent serves as your office, your home away from home, your business lounge and entertainment centre. Well-insulated from outside noise, the interior is a well-appointed, multi-functional space where you can feel comfortable, secure and perfectly relaxed. All touch points and visual cues look and feel familiar for intuitive operations. Materials have been carefully selected for their aesthetic qualities but at the same time meet the highest durability standards.

Supervision cluster
5.0" Multimedia display

Audio remote control
Automatic climate control

Performance and Safety.

Accent gives you a choice of powertrains to suit personal requirements. Whichever you specify, Accent delivers impressive and reliable performance using tried and true technologies like variable intake systems that let the engines adjust their breathing to power demand, six-speed transmissions and multi-point injection for maximum fuel economy. And inside, Accent protects you with some of the most advanced safety technologies available in the automotive industry today.

Gamma 1.6 MPI Gasoline

123 Maximum power
ps/6,300rpm
15.4 Maximum torque
kg-m/4,850rpm

Kappa 1.4 MPI Gasoline

100 Maximum power
ps/6,000rpm
13.5 Maximum torque
kg-m/4,000rpm

Ull 1.6 Diesel with VGT

128 Maximum power
ps/4,000rpm
26.5 Maximum torque
kg-m/1,500-3,000rpm

6-airbag system

Driver and front passenger are protected by two front airbags and two side airbags. Side curtain airbags running the length of the cabin improve head protection and increase the total airbag count to six.

Static bending light

Pioneered by Hyundai on its 2003 NEOS-II concept car, this innovation uses the turns of the steering wheel to turn auxiliary lamps on and off thus illuminating dark side areas covered by the headlamps.

Auto cruise control

Set the desired speed and the automatic feature takes cruise control to the next level by automatically braking and resuming acceleration to ensure that a safe distance is always kept between you and the vehicle ahead.

Electronic stability control

ESC can detect skidding and using computerized technology, it will automatically apply the brakes to individual wheels to counter the loss of directional control, help maintain vehicle stability and reduce the risk of a collision.

Hillstart assist control

Stopping and starting on very steep road can be stressful and potentially dangerous. HAC prevents the car from accidentally rolling backward whenever the brake pedal is released on a hill.

Emergency stop signal

Capable of distinguishing between normal and emergency braking conditions, this feature will automatically start flashing your brake lights when sudden heavy braking is detected thus warning drivers of a dangerous situation ahead.

Features

Push-button start / Smart key

Window defogger

One-touch triple turn signal

Seat folding system (60:40 type)

Child seat anchor system

Glove box with cooling

Rain sensor

Halogen headlamps

Bulb-type daytime running lights

Bulb-type rear combination lamps

Solar glass

Smart trunk

Safety windows

15" wheel covers

15" alloy wheels

16" alloy wheels

Exterior colors & Interior trims

Polar white PWT

Sleek silver RHM

Star dust V3G

Siena brown S4N

Flame orange X4A

Fiery red R4R

Marina blue N4U

Phantom black MZH

Specifications

Type	Gamma 1.6 MPI Gasoline	Kappa 1.4 MPI Gasoline	UII 1.6 Diesel with VGT
